

## **Interior Designers Institute of British Columbia Fall Fundraising Event for BladeRunners**

On October 25<sup>th</sup>, 2007 the Interior Designers Institute of British Columbia (IDI) held a charity evening event for BladeRunners at the Coast Restaurant in Vancouver's Yaletown. The fun event was well attended by industry partners of IDI. \$675 was raised during the course of the evening and the proceeds will go towards providing services to Vancouver ACCESS' BladeRunners participants, many of whom are homeless youth.

The Vancouver ACCESS BladeRunners team would like to whole-heartedly, thank IDI for their generous donation.
